## I. Introduction

The mission of Empire State Development (“ESD”) is to promote a vigorous and growing state economy, encourage business investment and job creation, and support diverse, prosperous local economies across New York State through the efficient use of loans, grants, tax credits, real estate development, marketing and other forms of assistance.

### A. Project Summary

ESD has been designated by Governor Kathy Hochul to receive the EDA Statewide Planning Grant. ESD’s planning initiative will respond to the economic injury caused by the coronavirus pandemic and enable New York State to make its economy more resilient to future shocks.

ESD is launching a Semiconductor Study that will provide ESD with current, market-grounded information about New York State’s strengths and opportunities for expansion to generate long-term follow-on economic growth. Conclusions and recommendations from the study will inform New York State agencies’ global industry attraction efforts, innovation ecosystem investments, site development investments, skills assessments, workforce development programming, and efficient leveraging of future Federal funding.

## V. SUBMISSION REQUIREMENTS

This section contains additional information about the forms that are required to be included in each Bidder's submission pursuant to Section VI of this RFA, as well as information about ESD's procurement requirements.

### 1) Conflicts of Interest

Respondent must attest it has read, understood and will comply with the following provisions <https://esd.ny.gov/sites/default/files/Conflict-of-Interest-Attestation-June-2019.pdf>. ESD shall have the right to disqualify any respondent to this RFP or terminate any contract entered into as a result of this RFP should ESD determine that the Respondent has violated any of these requirements.

- A. Gifts and Offers of Employment:** Respondent has not and shall not during this procurement and during the negotiation of any contract resulting from this procurement, offer to any employee, member or director of ESD, any gift, whether in the form of money, services, loan, travel, entertainment, hospitality, thing or promise, or in any other form, under circumstances in which it could reasonably be inferred that the offer was intended to influence said employee, member or director, or could reasonably be expected to influence said employee, member or director, in the performance of the official duty of said employee, member or director or was intended as a reward for any official action on the part of said employee, member or director. Respondent may not make any offers of employment or discuss the possibility of such offers with any employee, member or director of ESD who is involved in this procurement and/or resulting contract negotiation within at least 30 days from the time that the employee's involvement in this matter closed.
- B. Disclosure of Potential Conflicts:** Respondent shall disclose any existing or contemplated relationship with any other person or entity, including relationships with any member, shareholders of 5% or more, parent, subsidiary, or affiliated firm, which would constitute an actual or potential conflict of interest or appearance of impropriety, relating to other clients/customers/employers of the Respondent or former officers and employees of ESD, in connection with your rendering services enumerated in this RFP. If a conflict does or might exist, Respondent must describe how it would eliminate or prevent it.

**Disclosure of Ethics Investigations:** Respondent must disclose whether it, or any of its members, shareholders of 5% or more, parents, affiliates, or subsidiaries, have been the subject of any ongoing investigation or disciplinary action by the New York State Commission on Public Integrity or its predecessor State entities (collectively, "Commission"), and if so, a description must be included indicating how any matter before the Commission was resolved or whether it remains unresolved.

### 2) Vendor Responsibility Questionnaire

All Respondents to this RFA must be “responsible,” which in this context means that they must have the requisite financial ability, organizational capacity and legal authority to carry out its obligations under this RFA, and in addition must demonstrate that both the Respondent and its principals have and will maintain the level of integrity needed to contract with New York State entities such as ESD. Further, the Respondent must show satisfactory performance of all prior government contracts. Accordingly, the contract to be entered into between ESD and the Respondent, if any, shall include clauses providing that the Respondent remain “responsible” throughout the term of the contract, that ESD may suspend the contract if information is discovered that calls into question the responsibility of the contracting party, and that ESD may terminate the contract based on a determination that the contracting party is non-responsible. On request, model language to this effect will be provided to any Respondent to this RFA.

To assist in the determination of responsibility, ESD requires that all respondents to this RFA register in the State's Vendor Responsibility System (“Vend-Rep System”). The Vend-Rep System allows business entities to enter and maintain their Vendor Responsibility Questionnaire information in a secure, centralized database. New York State Procurement Law requires that state agencies award contracts only to responsible vendors. Respondents are to file the required Vendor Responsibility Questionnaire online via the Vend-Rep System or may choose to complete and submit a paper questionnaire. Please include a copy of your Vend-Rep submission receipt or paper questionnaire with your application.

To enroll in and use the Vend-Rep System, see the System Instructions available at [www.osc.state.ny.us/vendrep](http://www.osc.state.ny.us/vendrep) or go directly to the Vend-Rep system online at <https://portal.osc.state.ny.us>. For direct Vend-Rep System user assistance, the Office of the State Comptroller's Help Desk may be reached at 866-370-4672 or 518-408-4672 or by email at [helpdesk@osc.state.ny.us](mailto:helpdesk@osc.state.ny.us).

Respondents opting to file a paper questionnaire can obtain the appropriate questionnaire from the Vend-Rep website ([http://www.osc.state.ny.us/vendrep/forms\\_vendor.htm](http://www.osc.state.ny.us/vendrep/forms_vendor.htm)) and execute accordingly pertaining to the company's trade industry. Per the website, respondents are to “Select the questionnaire which best matches the business type (either For-Profit or Not-For-Profit) and business activity (Construction or Other).”
